**PRIMARY LAWS, RULES, AND REGULATIONS REGARDING  
CONDUCT AND ASSOCIATION WITH STATE PRISON INMATES  
CDCR 181 (Rev.10/14)**

Individuals who are not employees of the California Department of Corrections and Rehabilitation (CDCR), but who are working in and around inmates who are incarcerated within California's institutions/facilities or camps, are to be apprised of the laws, rules and regulations governing conduct in associating with prison inmates, Title 15, Section 3285. The following is a summation of pertinent information when individuals not employed by the department (volunteers, media, contractors and their employees and dignitaries) come in contact with prison inmates.

1. Persons who are not employed by CDCR, but are engaged in work at any institution/facility or camp must observe and abide by all laws, rules and regulations governing the conduct of their behavior in associating with prison inmates. Failure to comply with these guidelines may lead to expulsion from CDCR institutions/facilities or camps.  
SOURCE: California Penal Code (PC) Sections 5054 and 5058; California Code of Regulations (CCR), Title 15, Sections 3283, 3285, 3289, 3292 and 3415
2. CDCR does not recognize hostages for bargaining purposes. CDCR has a "NO HOSTAGE" policy and all prison inmates, visitors, non-employees and employees shall be made aware of this.  
SOURCE: PC Sections 5054 and 5058; CCR, Title 15, Section 3304
3. All persons entering onto institution/facility or camp grounds consent to a search of their person, property or vehicle at any time. Refusal by individuals to submit to a search of their person, property or vehicle may be cause for denial of access to the premises or restrictions to visiting or facility access.  
SOURCE: PC Sections 2601, 5054 and 5058; CCR, Title 15, Sections 3173, 3267, 3288, 3289, and 3292.
4. Persons normally permitted to enter an institution/facility or camp may be barred, for cause, by the CDCR Secretary, Director of Division of Adult Institutions (DAI), Warden, Regional Parole Administrator and /or their designees.  
SOURCE: PC Sections 2086, 5054 and 5058; CCR, Title 15, Sections 3283 and 3289
5. It is illegal for an individual who has been previously convicted of a felony offense to enter into CDCR institutions/facilities or camps without the prior approval of the Warden. It is also illegal for an individual to enter onto these premises for unauthorized purposes or to refuse to leave said premises when requested to do so. Failure to comply with this provision could lead to prosecution.  
SOURCE: PC Sections 602, 4570.5 and 4571; CCR, Title 15, Sections 3173, 3283 and 3289
6. Encouraging and/or assisting prison inmates to escape is a crime. It is illegal to bring firearms, deadly weapons, explosives, tear gas, drugs or drug paraphernalia on CDCR institutions/facilities or camp premises. It is illegal to give prison inmates firearms, explosives, alcoholic beverages, wireless communication devices or components thereof, tobacco products, narcotics, or any drug or drug paraphernalia, including cocaine or marijuana.

SOURCE: PC Sections 2540, 2541 and 4570; CCR, Title 15, Sections 3010, 3399, 3401, 3424 and 3425
8. In an emergency situation the visiting program and other inmate program activities may be suspended by the Warden or designee.  
SOURCE: PC Sections 2086 and 2601; CCR, Title 15, Section 3383
9. For security reasons, volunteers, media, contractors, dignitaries and guests must not wear clothing that in any way resembles state issued prison inmate clothing (blue denim shirts, blue denim pants).  
SOURCE: CCR, Title 15, Sections 3174 and 3349.2.3(g) (3) (B)

I HEREBY CERTIFY AND ACKNOWLEDGE I HAVE READ THE ABOVE AND FULLY UNDERSTAND THE IMPLICATIONS REGARDING MY CONDUCT AND ASSOCIATION WITH CDCR INMATES. # EMPLOYEE TUBERCULIN SKIN TEST (TST) AND EVALUATION

## CDCR 7336 (Rev. 03/20)

The California Penal Code, Section 6006 et seq., requires all California Department of Corrections and Rehabilitation (CDCR) employees and certain other individuals to have an initial, annual, and as medically necessary, Mantoux Tuberculin Skin Test (TST) or evaluation. The testing must occur as instructed below. The employee must provide the results of the TST or Tuberculosis (TB) blood test and evaluation on the required Employee Tuberculin Skin Test (TST) and Evaluation (CDCR 7336) form.

### Definitions:

- **Induration:** Swelling or raised skin. **Note:** The presence of erythema is NOT indicative of a TST reaction; only the induration is measured.
- **Mantoux TST:** Intradermal injection of 0.1 milliliters (ml) of Purified Protein Derivative, 5 Tuberculin Units (TU).
- **Prior TST:** A Mantoux TST in which clearly documented and dated results are available in millimeters (mm).
- **Negative TST Result:** Induration of less than (<) 10 mm if new, or < 5 mm, if contact or known immunocompromised.
- **Positive TST Result:** Induration equal to or greater than (>) 10 mm, OR > 5 mm if contact or known immunocompromised.

CDCR Health Care Providers (HCP) shall not ask CDCR employees about non-TB health history, including immunosuppressive conditions.

The Centers for Disease Control and Prevention (CDC) and the California Tuberculosis Controllers Association recommend the following:

1. The tine test is NOT an acceptable skin test to determine exposure to the TB bacillus. The only acceptable screening methods for detecting TB infection are TB screening tests that are licensed by the Federal Food and Drug Administration (FDA) and recommended by the CDC.
2. A chest X-ray (CXR) cannot be used to definitively diagnose TB. However, a CXR may be used to rule out the possibility of pulmonary TB in a person who has had a positive reaction to a TST or TB blood test and no symptoms of disease.
3. The process for administering, evaluation, and documenting the Mantoux TST are:
  - a) Must be given intradermally.
  - b) 0.1 ml (s) of 5 TU Purified Protein Derivative must be used.
  - c) The test must be interpreted by a qualified HCP.
  - d) Results must be documented in mm(s) of induration.

### Instructions: Employee

#### Section 1: Complete all items in Section 1.

- Provide accurate and complete information.
- Ensure the health care provider(s) (HCP) administering and evaluating the TST, including the exam for TB signs and symptoms, completes, signs, and dates the form.
- Advise the HCP to follow the steps below when completing Sections 2 through 7.
- If a CXR is needed, you are required to submit a copy of the CXR report with this form for clearance to be placed in your health record.
- Submit the completed Employee Tuberculin Skin Test (TST) and Evaluation (CDCR 7336) form, in a sealed envelope.

### Instructions: Health Care Provider (HCP)

#### Section 2: Complete Section 2, if applicable.

Complete this section if prior TST or TB blood test results and treatment are available. The employee or HCP must provide written documentation including the date test was administered, reaction in mm or IGRA, treatment, and drug administered (if any) start and stop dates.

If documented results are:

- NEGATIVE and more than 30 days old, proceed to Section 3.
- NEGATIVE and less than 30 days old, proceed to Section 5.
- POSITIVE on any date, complete Sections 5, 6, and 7.

If there are no appropriately documented prior TST or TB blood test results, continue to Section 3.

**Section 3:** Administer a new TST and document the test results in Section 3. The HCP administering the TST in Section 3 must sign and date the appropriate blocks. The block identified as "Date and Time of Results" refers to date the employee's TB status is determined.

If documented results are:

- NEGATIVE, complete Sections 5 and 7.
- POSITIVE, complete Sections 5, 6, and 7. A copy of CXR report must be attached for all POSITIVE results.

**Section 4:** Administer a new TB blood test and document the test results in Section 4. The HCP administering the TB blood test must sign and date the appropriate blocks. The block identified as "Date and Time of Results" refers to date the employee's TB status is determined.

If documented results are:

- NEGATIVE, complete Sections 5 and 7.
- POSITIVE, complete Sections 5, 6, and 7. A copy of CXR report must be attached for all POSITIVE results.

If an individual claims to have a prior positive TB blood test or TST, but is unable to provide appropriate documentation, a TST or TB blood test must still be administered. This is not medically contraindicated. However, a diluted TST may be administered by the following method: dilute 0.2 cc of the standard 5 TU/0.1cc solution with 0.8 cc of sterile saline; use 0.1 of the solution to administer the TST. **Note:** This is not a CDCR procedure. If the results are positive, no further testing is necessary. If the administered or documented TB blood test shows a negative result, the employee most likely does not have the TB infection. Factors affecting the immune system, pregnancy, or recent TB infection may cause a false negative TST or TB blood test reaction, even when TB disease exists. If the TB blood test or TST indicates a positive reaction, further medical evaluation and a CXR are required to rule out active TB disease.

**Section 5:** Complete the evaluation for all employees. Three or more symptoms warrant special concern.

**Section 6:** Complete this section for individuals with a prior documented or newly significant TST or TB blood test. If a prior CXR report is on file, attach a copy of the CXR report to this form and mark the applicable results. If the individual does not have CXR report on file, administer a CXR, attach a copy of the report, and check the applicable results. The CXR report is required by CDC.

**Section 7:** The HCP, Physician, Surgeon or licensed designee evaluating for TB signs and symptoms must complete this section. Evaluators may note comments, as necessary. Check the box if the employee is free of infectious TB, print name, enter license number, sign, and date this section.

After evaluation or treatment, provide the original completed and signed CDCR 7336 form to the employee for return to CDCR.

**Department Operations Manual (DOM) Section 33010.25, Nepotism and Fraternization**

The Department has established policies to counteract nepotism and fraternization in the workplace.

**(a) Policy**

It is the policy of CDCR to recruit, hire, and assign all employees on the basis of merit and fitness in accordance with civil service statutes, rules, and regulations. This policy is intended to uphold the merit principle of civil service by preventing and prohibiting preferential treatment or bias due to personal relationships. Nepotism is antithetical to a merit-based personnel system and staff shall not use their personal relationships to aid or hinder others in the employment setting. CDCR reserves the right to initiate mandatory reassignments, employee transfer, or take other administrative action to avoid or correct situations where the potential for employment decisions based on nepotism exists.

**(b) Personal Relationship Defined**

For purposes of this section, personal relationships include, but are not limited to, an association with another individual by blood, adoption, foster arrangement, cohabitation, current or previous marriages (including in-laws), registered domestic partnership, or romantic relationships.

**(c) Hiring Authority, Manager, or Supervisor Responsibilities**

The hiring authority, managers, or supervisors must ensure their candidates and employees are aware of the departmental nepotism and fraternization policy, including reporting requirements. The hiring authority, manager, or supervisor shall consider the nepotism and fraternization policy prior to making employment decisions. The hiring authority, manager, or supervisor must inform candidates of the nepotism and fraternization policy at the time of interview. As part of the interview process for any position, regardless of whether the candidate is a current employee, each candidate shall be required to sign a CDCR Form 8019, Nepotism and Fraternization Policy Acknowledgement form to confirm their understanding of this policy. In addition, the hiring authority, manager, or supervisor must take appropriate action to correct violations of this policy. The hiring authority, manager, or supervisor is responsible for requesting an exception/appeal to the policy if necessary (refer to Exception/ Appeal Procedures below). Exceptions/appeals to the policy may be granted under limited circumstances.

**(d) Employee Responsibilities**

- (1) Upon hire employees shall complete and submit a CDCR Form 8019 to their hiring authority, manager, or supervisor.

- (2) The exception/appeal procedures are as follows:

  3. If the exception/appeal request is denied, a written explanation of the basis for the denial, shall be provided to the candidate or employee. A copy of the denial document(s) shall be forwarded to the appropriate personnel officer. The personnel officer shall place a copy of the denial document(s) in the hiring and recruitment package, and if applicable, into the respective employee official personnel file. **PREA POLICY INFORMATION FOR VOLUNTEERS AND CONTRACTORS PART A**  
**CDCR 2301 (Rev. 05/20)****ATTACHMENT H**  
Page 1 of 3

The Prison Rape Elimination Policy for the California Department of Corrections and Rehabilitation (CDCR) is explained on this informational sheet. As a volunteer or private contractor who has contact with CDCR offenders, it is your responsibility to do what you can, within the parameters of your current assignment, to reduce incidents of sexual violence, staff sexual misconduct, and sexual harassment and to report information appropriately when they are reported to you or when you observe such an incident. For purposes of this Policy, the word "staff" includes volunteers and private contractors.

**Historical Information**

Both the Congress and State Legislature passed laws, the Federal Prison Rape Elimination Act (PREA) of 2003, the Sexual Abuse in Detention Elimination Act, Chapter 303, Statutes of 2005, and most recently the United States, Department of Justice Final Rule; National Standards of 2012 to help prevent, detect, and respond to sexual violence, staff sexual misconduct, and sexual harassment behind bars. It is important that we, as professionals, understand all aspects of these laws and our responsibilities to help prevent, detect, and respond to instances by offenders and staff.

**CDCR Policy**

The CDCR policy is found in Department Operations Manual (DOM), Chapter 5, Article 44. PREA addresses five types of sexual offenses. Sexual violence committed by offenders against offenders encompasses: abusive sexual contact, non-consensual sex acts, and sexual harassment by an offender. Other sections covered by PREA include staff sexual misconduct towards an offender and staff sexual harassment towards an offender.

CDCR's policy provides for the following:

- CDCR is committed to continuing to provide a safe, humane, secure environment, free from offender on offender sexual violence, staff sexual misconduct, and sexual harassment.
- CDCR maintains zero tolerance for sexual violence, staff sexual misconduct, and sexual harassment in its institutions, community correctional facilities, conservation camps, and for all offenders under its jurisdiction.
- All sexual violence, staff sexual misconduct, and sexual harassment is strictly prohibited.
- This policy applies to all offenders and persons employed by the CDCR, including volunteers and independent contractors assigned to an institution, community correctional facility, conservation camp, or parole.

Retaliatory measures against employees or offenders who report incidents of sexual violence, staff sexual misconduct, or sexual harassment as well as retaliatory measures taken against those who cooperate with investigations shall not be tolerated and shall result in disciplinary action and/or criminal prosecution. Retaliatory measures include, but are not limited to:

- Coersion.
- Threats of punishments.
- Any other activities intended to discourage or prevent staff or offenders from reporting incident(s).

**Professional Behavior**

Staff, including volunteers and private contractors are expected to act in a professional manner while on the grounds of a CDCR institution and while interacting with other staff and offenders. Key elements of professional behavior include:

- Treating everyone, staff and offenders alike, with respect.
- Speaking without judging, blaming, or being demeaning.
- Listening to others with an objective ear and trying to understand their point of view.
- Avoiding gossip, name calling, and what may be perceived as offensive or "off-color" humor.
- Taking responsibility for your own behavior.

**Preventative Measures**

You can help reduce sexual violence, staff sexual misconduct, and sexual harassment by taking various actions during the performance of your duties as a volunteer or private contractor.

**PREA POLICY INFORMATION FOR VOLUNTEERS AND CONTRACTORS PART A**  
CDCR 2301 (Rev. 05/20)**ATTACHMENT H**  
Page 2 of 3

The following are ways in which you can help:

- Know and enforce the rules regarding the sexual conduct of offenders.
- Be professional at all times.
- Make it clear that sexual activity is not acceptable.
- Treat any suggestion or allegation of sexual violence, staff sexual misconduct, and sexual harassment as serious.
- Follow appropriate reporting procedures and assure that the alleged victim is separated from the alleged predator.
- Never advise an offender to use force to repel sexual advances.

**Detection**

All staff, including volunteers and private contractors, is responsible for reporting immediately and confidentially to the appropriate supervisor any information that indicates an offender is being, or has been, the victim of sexual violence, staff sexual misconduct, or sexual harassment.

After immediately reporting to the appropriate supervisor, you are required to document the information you reported. You will be instructed by the supervisor regarding the appropriate form to be used for documentation.

You will take necessary action (i.e., give direction or press your alarm) to prevent further harm to the victim. Staff, including volunteers and private contractors, will request the victim does not: 1) Shower; 2) Remove clothing without custody supervision; 3) Use the restroom facilities; and 4) Consume any liquids.

*I have read the information above and understand my responsibility to immediately report any information that indicates an offender is being, or has been, the victim of sexual violence, staff sexual misconduct, or sexual harassment.*

#### Noncriminal Justice Applicant's Privacy Rights

As an applicant who is the subject of a national fingerprint-based criminal history record check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below.

- You must be provided written notification<sup>1</sup> that your fingerprints will be used to check the criminal history records of the FBI.
- You must be provided, and acknowledge receipt of, an adequate Privacy Act Statement when you submit your fingerprints and associated personal information. This Privacy Act Statement should explain the authority for collecting your information and how your information will be used, retained, and shared.<sup>2</sup>
- If you have a criminal history record, the officials making a determination of your suitability for the employment, license, or other benefit must provide you the opportunity to complete or challenge the accuracy of the information in the record.
- The officials must advise you that the procedures for obtaining a change, correction, or update of your criminal history record are set forth at Title 28, Code of Federal Regulations (CFR), Section 16.34.
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on information in the criminal history record.<sup>3</sup>

You have the right to expect that officials receiving the results of the criminal history record check will use it only for authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.<sup>4</sup>

If agency policy permits, the officials may provide you with a copy of your FBI criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may obtain a copy of the record by submitting fingerprints and a fee to the FBI. Information regarding this process may be obtained at <https://www.fbi.gov/services/cjis/identity-history-summary-checks>.
